The Large Intestine is a long tube-like structure that stores and eliminates waste material.

Physical Activity and Benign Prostatic Hyperplasia Related

Participants were asked to report a physician diagnosis of an enlarged prostate or BPH and nocturia in the past year. We used this information to define incident physician diagnosis of an enlarged prostate (BPH), incident nocturia (waking ≥2 times during the night to urinate), and incident severe nocturia (waking ≥3 times during the night).

Lyme Disease Diet Plan and Restrictions All Natural Ideas

If you love healthy meals of salads, vegetable stir fry, and grilled seafood, it’s not difficult to follow a low sugar Lyme disease diet plan. It’s even possible to make delicious desserts with sugar-free natural sweeteners such as stevia. You may want to take an extra dose of probiotics or eat more fermented foods when you indulge in sugar.
